25X1	1.	which according to records of the Berlin regional railroad headquarters went	25X1
		from the area of Rathenow to Eberswalde on 9 October 1952.  A unit of the 63d AAA Div (US) probably returned to Eberswalde and Britz from the field exercises of the Fourth Gds Mecz Army in the area south and east of Rathenow.	
25X1	2.	Comment. Records of the Berlin regional railroad beadquarters indicate that this train probably carrying arms engineers of the Fourth Gds Necz Army also returned from the field exercises of the Pourth Rds Necz Army in the area south and east of Nathenow.	25X1
25X1	3.	Commont. The information contained in the present report and observations	
25X1		by another source indicate that the retransfer of units of the 25th Tank Div from the Templin troop training grounds and the area south and east of Rathenow to Oranienburg continued with two trains on 11 October.	23/1
25X1	4.	Comment. The loading was made by units of the 25th Tank Div which, according to records of the Berlin regional railroad headquarters, moved to Oranienburg with	25X1
25X1	5.	Conment. Units of the unidentified AAA regiment of the LXXIX Ltz Rifle Corps probably returned to the Artillerie Kaserne. The information indicates that the afore mentioned regiment and units of the 44th (?) Army Arty Prig must have been at the installation since 9 October. Elements of the 136th Cds Hv Tank SP Regt of the Third Shock Army returned to the Panzer Kaserne in late September.	25X1
25X1	6.	Comment. Records of the 4th Subdistrict Office of the Berlin regional	20/(1
		railroad headquarters indicate that, on 10 and 11 October, three trains carrying units of the 3hth Arty Div (US) went from Altengrabow to Potsdam.	25X1
25X1		also observed the arrival of units of the division at the Delius Kaserne Sued on 10 October.  Information contained in the present report indicates that the Mohenlohe Kaserne and the Ludendorff Kaserne were also occupied by units of the division, possibly elements of the unidentified gun artillery brigade which is carried	
		in the south section of the Delius Kasarne. This confirms the preparations for occupation which here previously reported.	25×1
